Early Years Education

Nurturing Little Musicians

Interactive music classes for schools and nurseries, co-led by our incredible professional and learning disabled musicians. Using Makaton signing, we develop inclusion and belonging while celebrating difference through joyful, shared music-making.

Available to visit early years settings every Friday.

What makes Little Brollies unique?

Little Brollies is for all Early Years learners and leaders. Our workshops are specially designed to introduce the youngest members of society to a culture of kindness and celebrate that there's No Such Thing as Normal.

Through uplifting, original songs, Makaton signing, and live instruments, we encourage children to sing, move, and interact with music in ways that promote joy, connection, and confidence.

Parent feedback from 2025 Rucksack sessions

I found all elements of the session relevant and valuable. Each part contributed to a better understanding of the topic and kept me engaged throughout.

The entire session was truly amazing and packed with valuable information. Every part of it offered useful insights, and I found the discussions particularly engaging. It was a great opportunity to deepen my understanding and gain new perspectives. I appreciate the effort that went into making the session so informative and enjoyable.

Yes, I think it's a great chance to meet other parents going through similar struggles and a safe space to not feel judged or misunderstood.

Today's session gave me a better understanding of why my son experiences and reacts to things the way he does, and how he sees and perceives the world. It helped me make sense of his behaviours, and I now feel more equipped to support and care for him in ways that truly meet his needs. I feel more understanding and confident in how I can help

It was a great session, full of valuable information on communication. I really appreciated the dedication of the ladies who answered our questions and shared so many helpful examples.
